If any such credit card charges are declined for any reason, the full amount of that charge will immediately become due and payable in cash. I agree that if my credit card charge is ever declined for any reason, I will remit payment in full to FTC FBO for any such declined credit card charge within 15 days.

This authorization is to remain in force and in effect until FTC FBO has received written notice from me of cancellation in such time and in such manner as to afford FTC FBO a reasonable length of time to act upon such notice. A customer has the right to stop payment of a debit by notice to the company issuing the credit card prior to charging the account. After the account has been charged, a customer has the right to have the amount erroneously debited immediately credited to his account by the bank up to 15 days following issuance of statement or 45 days after posting, whichever occurs first. FTC FBO further reserves the right to terminate my ability to preauthorize charges to my credit card for good cause.

I hereby acknowledge that I have received, read, understand, and agree to abide by the terms contained in this authorization.
